WHAT IS **LawWithoutWalls?**

LawWithoutWalls (LWOW) is a non-profit experiential team-based learning initiative designed for practicing and aspiring legal and business professionals that brings a human-centered design perspective to law.

WHAT IS **Sprint?**

A 3-DAY LEGAL HACKATHON "WEEKENDER"

Participants learn and apply design thinking principles to **CO-CREATE PROJECTS OF WORTH**; the foundations of viable solutions to solve an **URGENT BUSINESS-OF-LAW PROBLEM**. In the process, they enhance skills and develop new mindsets and transform relationships for future-forward work together.

TEAM-BASED INNOVATIONS

16 SPONSORED TEAMS THAT COLLABORATE TO IDENTIFY A NARROW PROBLEM AND TARGET AUDIENCE, CREATE A VIABLE SOLUTION, AND THEN PITCH TO OUR COMMUNITY

**SPRINT TEAMS ARE DIVERSE;
MULTIDISCIPLINARY,
INTERGENERATIONAL,
CROSS-CULTURAL..**

...EACH TEAM is guided on the problem solving journey by some of the industry's best thought leaders, innovation coaches, mentors, and project managers.

LWOW SPRINT TESTIMONIALS

Sprint Team Participants learn new design thinking problem solving and collaboration principles that change the way they engage professionally *and* personally—and they build a new network among the diverse LWOW community of change agents.

"[SPRINT] is the most incredible, intense, enlightening, exciting, exhausting and worthwhile weekend, working and learning with talented students, colleagues, legal professionals, old friends, and new and inspirational speakers and coaches." —**SARA NELSON SMITH, GLOBAL HEAD OF CORPORATE AND COMMERCIAL, BOOKING.COM**

"My perspective on LWOW is that I've learned to apply my legal skills, my experiences NOT to solve legal problems, which is what we often do in a corporate environment but I've learned to apply those skills to solve real world problems." —**MAURUS SCHREYVOGEL, HEAD OF LEGAL CONSULTING, E&Y**

"Energized + excited to be surrounded by such a supportive and creative community in the legal innovation space. You guys are giving me a new version of myself which I did not even know existed." —**THABO MAGUBANE, UNIVERSITY OF KWAZULU-NATAL**

"I've found it quite inspiring to be in such an environment listening and contributing to ideas on issues which impact us all—it's helped act as a reminder to me about the importance of keeping a keen eye on the future of the legal industry as it's so easy to focus solely on the unrelenting day-to-day activity we all have." —**LEGAL COUNSEL, HSBC**
